## Were You Born In September? Then You'd Better Renew Your Driver's License Now!

Time's-a-wasting, if you were born in the month of September and you have not renewed your drivers license.  
If you were born in some month other than September and do not plan to drive outside the state before your month of birth, then you've nothing to worry about until then. If, on the other hand, you plan to do some out-of-state driving before your month of birth comes around, you'd better drop by the county judge's office and have your present drivers license "validated" with a twenty-five cent stamp.

In any event, the new birth month drivers license law is in full swing now, and it will be your own little red wagon from here on out if you are apprehended driving with out a valid drivers license.

Better see your county judge today, either to purchase a new drivers license (if born in September) or a two-bit stamp to validate your present one until it comes due.

## Uncle Dan From Democrat River

Dear Mister Editor:

I see by the papers where school houses in a heap of places is so crowded for space this year they're operating on two shifts. And the same piece says some of the schools in Chicago are serving breakfast in the school lunch rooms to the kids. In one generation this country has come up with no-shift automobiles and two-shift schools. It takes to me like that people, somewhere along the line, is getting progress all twisted up. Or maybe the crowded school situation come about on account of folks not being able to settle a argument between their conscience and their pocketbook. There ain't nothing that makes a fellow madder than for his conscience to interrupt when his money is talking.

And me and my old lady got in a argument over this school breakfast item. When I was getting what little schooling I got, I went to bed early so I could get up early and help milk the cows, churn, and bring in the wood for the day. Then I set down to a solid meal. Now they're fixing it so the kids can stay out half the night and get some watered orange juice and a piece of toast.

My old lady says they take care of these things now with vitamins, that folks don't need the same eating habits they did

in the old days. Could be, Mister Editor. Science has provided so many substitutes for things that it's getting hard for me to recollect what it was we needed in the first place.

Speaking of scientists, I see where our missile experts claim two miles is about as close to the target as we can be sure of with our long range shots. I don't think two miles will make much difference. We got so many of them foreign countries, saying "Yankee Go Home" that we're bound to hit one right on the barrel-head ever time we shoot.

I see where the column writers is still discussing President Kennedy's health. That can work both ways. I never knowed a feller that had a operation or spent time in the hospital that didn't brag about it. Whenever he hears about another feller that has been in similar toils, he feels toward him like a long lost brother. A heap of folks that was Democrats shifted to Ike after he had his operation. And they say, for instance, that Senator Kefauver was trying to get to the White House, he begun to slip when it was found out he hadn't never had no operation or been sick a day in his life.

Well, I see where the Census Bureau come out last week with some more figures on various things they put together from the 1960 census. I was interested in one item that said a million and a half Americans quit smoking from 1959 to 1960. I reckon this was only a small fraction of them that swore off.

Yours truly,  
Uncle Dan

Know Your Government

## COUNTY COMMENTS

By Rep. Emmett S. Roberts

The recent series of articles on county government attempted to point out the difficulty experienced in present day government operations.

The modern day society with modern business methods and ability to get things done in a hurry cannot comprehend in many instances the inability of counties to move faster in solving local problems.

How many citizens have thought of the varied and many services counties are called on to administer. In addition to read systems, health and welfare, care of the handicapped and aged, responsibility for providing for our courts, laws enforcement, tax collecting and assessing. There are also a multitude of other services such as civil defense, airports, docks, pest control, forest fire control, recreation and parks, agricultural, beach erosion, and sewage, garbage collections and disposal.

County governments of course cannot pass ordinances as a municipality can, and must wait for the legislature to meet in order to have local legislation to deal with a given situation. The County Commissioners, therefore, do not have administrative control of many problems they are requested to act upon. In addition, most of your County office holders are constitutional officers, and therefore, are independent of County Commissioners control in administering their respective offices. Each office holder is therefore responsible to the public for the conduct of his office.

The term of these officers is not normally for a period of four years. In recent years the office of tax assessor has been emphasized statewide due to the differences in rate of assessments in the various counties. It is apparent that the definition of full cash value for assessing has many interpretations and is impossible to attain for practical reasons. However, in recent years many counties have begun to reassess, increasing property values considerably.

The legislative attempted at the last session to change full

"Books, and therefore Libraries," says J. Frank Dobie, Texas Educator and author — "contain the inherited wisdom, humor, life, dream of all the jests of the centuries during which man has left a record of what he has thought and done."

The "Immortal residue" of the human race lies in books. The great reason for reading books and valuing libraries is to have life more abundantly, to think more justly, to be in love more delightfully and to use the space vehicles more wisely when we get them.

Corner of the Moon — by Shirley Barker is a novel of fateful times for England, against a threat of invasion. But this one takes place in Napoleon's time — England on "Ancient Rights" had repulsed the Spanish Armada. What was the power that held, that saved Britain from invasion? The events of these fateful times were dramatic and extraordinary mysterious.

Slight Turnbill... In this story the author has written a most charming book. Those who in our space age are wearied of its fears and problems and who have forgotten or are unaware of the days when a car was a novelty and a picnic a social occasion, will find in this novel not only a happy ending but a chance to lose themselves in an other period and more peaceful way of life. **SALUTE TO FLORIDA COUNTIES • BRADFORD**

COUNTY SEAT • STARKE

Bradford County occupies 125,200 acres, much of which is beautiful rolling country with elevation of 120 feet above sea level at some points. Located in North Florida, Bradford County was once a part of a large territory comprising Baker, Columbia and Union Counties, then known as New River County. Starke, the County Seat, is a strategic terminus for tourist and commercial traffic.

The principal sources of income in the county are derived from general farming, the lumber industry, and livestock. Watermelons and cucumbers are the largest commercial farm products.

In progressive Bradford County, and throughout Florida, the United States Brewers Association works constantly to maintain the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Association stresses close cooperation with the local law enforcement and governing officials.

## Boys, Register Now For Punt, Pass And Kick Competition

Coch Jim Maynor announces registrations continue to flow in for the nationwide Punt, Pass and Kick competition, in which Belle Glade area grade school boys aged six through 10 can compete in a test of football skills for prizes ranging from football equipment to a trip to the National Football League Championship game and a visit to the White House.

Eligible boys may register, without cost, at Everglades Motor Co., Belle Glade between the hours of 8 a. m. to 6 p. m. Each must be accompanied by a parent or guardian.

The Belle Glade competition is scheduled for Saturday, October 14 at Belle Glade High School Field.

In order to help contestants train for the Belle Glade punting, passing and place-kicking competition, to be held early in October, each entrant will receive an instruction booklet containing tips by National Football League record holders Johnny Unitas, Yule Larz, and Paul Hornung.

Pete Rozelle, Commissioner of the National Football League, which is cooperating with the Ford Motor Company in this national competition, points out that the program will enable all boys to participate in athletic competition.

"Boys who have been unable

to 'make the team' have been deprived of the benefits offered by participation in the sport of football," Rozelle said. "But this program will make it possible for all boys to participate."

In the "P. P. & K." competition, boys will be judged on the distance and accuracy of their punts, passes and place-kicks. The five top winners in the Belle Glade competition—one for each age group—will receive football uniforms. Second place winners will receive warm-up jackets, and footballs will be given the boys 6 through 10 who rank third.

The scores of the top five boys in the Belle Glade contest will be compared with the top scores from all the other contests held in the region covered by the telecasts of the Washington Redskins home football games. The top competitors, one in each age group, from this region will appear on television during a November home game of the Washington Redskins to test their football skills against winners of other regions.

All scores then will be compared to determine the five National Champions.

## In Service

Army Sgt. Frank C. Sterns Jr., whose wife, Mary, lived at 601 Conover Ave., Hendersonville, N. C., recently participated with other personnel from the 3d Armored Division's 48th Infantry in a four-week field training exercise in Grafenwohr, Germany.

During the exercise members of the "Spearhead" division participated in day and night tactical maneuvers and various types of firing.

The 3d is one of five U. S. divisions in NATO's "Pyramid of Power" in Europe. A team leader in the infantry's Company A, which is regularly located in Kirch Gons, Sergeant Sterns entered the Army in 1950 and was stationed at Fort Jackson, S. C., before his arrival overseas in April, 1960 on this tour of duty.

The 28-year-old soldier, whose father, F. C. Sterns, lives in Canal Point, Fla., is a 1949 graduate of Pahokee (Fla.) High School.

## Antiques To Charm A Visitor

Interesting family history lies behind antique furnishings and collector's items gracing the recently completed Jean Bacon residence on Royal Palm Drive. Particularly intriguing is a new painting (pictured above) of the little old grandma and grandpa whose life-like expressions hold the eye for much further study. The quaint and unusual painting, rescued from the attic of Gene's grandmother's home, somehow retains its original vivid coloring. Collectors items on the mantle of the Bacon home (photo) are treasured antiques which eventually found a home in Puerto Rico and were brought by Mrs. Bacon's mother to the states in 1928.

An original Governor Winthrop desk led to an interesting story.

An Elderly Englishman, who had accumulated wealth in the oil business in Mexico, found himself penniless following the Mexican Revolution. A prized possession which he managed to salvage was this desk, which he took with him to Puerto Rico. Mrs. Bacon's mother, Mrs. Reed, extended genuine friendship, generous hospitality and provided many home-cooked meals for the old gentleman, who willed her this lovely desk as token payment.

Mrs. Bacon's father, as a lad of 16, moved with his parents to Puerto Rico, where the father served as Presbyterian minister on Sundays and farmed for a livelihood. A girl from the state visiting a family adjoining the Reed farm, stayed on to later become Mrs. Francis Reed, Mrs. Bacon's mother. The young Mr. and Mrs. Reed lived in Puerto Rico several years, returning to the states with their family of three children.

Other antiques brought back by the Reeds were the majestic four-poster bed, hand made, of solid mahogany, a truly a dream... and a place for dreams. This, with a drop leaf mahogany table and Spanish medallion back chairs, came from the Island of St. Croix.

As the story goes, St. Croix was settled by Danish people who grew sugarcane and manufactured rum. This very lucrative business ended with prohibition, when they were forced to sell, and leave the Island. The many rare and treasured home furnishings were sold for a song. Mrs. Bacon's mother was able to purchase these and many more unmentioned items to add to her collection.

Mr. and Mrs. Bacon, with their daughter Constance, 14, and son John, 18, moved here

Mrs. Mary DeGraw gave the welcoming address and introduction of installing officers; Sandra Dulany, installing worthy advisor; Cinda Ponder, installing marshal; Rosa Reid, installing chaplain; Linda Sterlind, installing musician; Janet Ludlow, installing recorder.

Milton Carpenter, soloist sang "I'll Walk With God."

The new worthy advisor, in a blue organza taffeta gown, that she made gave an address, entitled "Importance of Prayer." She was presented a gavel by her mother, Mrs. S. K. Smith, Jr., and a white bouquet of carnations with blue and silver ribbons from the chapter. Miss Smith presented her installing

officers with gifts and also the mother advisor.

The table was beautifully decorated with a lace cloth over blue taffeta, centered with an arrangement of white chrysanthemums, flanked with blue candles in silver holders. The sheet cake was white decorated with hues of the rainbow & was inscribed "Congratulations Gloria!" Punch and cake were served by the hostesses Mrs. H. H. Gilbert, Mrs. Doss Tabb, Mrs. William Graber and Mrs. Fred White.

The hall was decorated with white gladioli.

Out of town guests were Mr. and Mrs. Stevenson of Stuart and two daughters also another daughter, Miss Kathy Stevens, a roommate of Gloria's at Girls State and also an associate worthy advisor of the Stuart chapter.

Florida contractors and building materials firms experienced a 20 per cent drop in gross sales during the first quarter of 1961, the Florida Retail Federation reports. It was the largest decrease of any business in the state.

Now here—a great new exclusive from Buick

**ADVANCED THRUST**

Moves power forward for arrow-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-3 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling in a passenger car. Distances shrink before its 3-4-G thrust. Hills disappear. Lean on curves is gone because the frame's gone wider. Winds don't make you wander. It's going at its Buick best!

## Sukkos Celebration

### Activities Of Temple Beth Shalom

The Jewish holiday of Sukkos, or Tabernacles, which dates back to Biblical days, began at sunset Sunday, Sept. 24 and is concluded with "Simchas Torah" Tuesday, Oct. 3.

The feast of Sukkot (booths) is commemorative of the pioneer days of the Jewish people when their ancestors in ancient times left Egypt, they wandered for forty years in the wilderness before they were allowed to come to the promised land, pitching tents or building booths, wherever they stopped.

The Almighty, therefore, commanded that they should, thru all generations celebrate the Feast of Sukkos. In these times, Sukkos is celebrated with special hymns and prayers of thanks. Homes and synagogues are decorated with autumn fruits and flowers.

The last day of Sukkos is "Simchas Torah," the rejoicing over the Torah. During the service, the Five Books of Moses are read. The ceremony signifies the continuing validity of the word of God.

## SEE FORD FIRST CONTEST

HERE NOW - 1962 FORDS BEGINNING SEPTEMBER 29

The 1962 Galaxie by Ford... a new standard of automotive quality. It's silent as a secret, swift as a rumor. And it's beautifully built to be more service-free. Routine service is reduced to a minimum - 30,000 miles on many items, 6,000 miles on the rest. Galaxie and Galaxie 500... cars with Thunderbird elegance... Thunderbird power!

The 1962 Ford Falcon... more from the car America loves most. Now there are 13 wonderful Falcon models, including the brand-new Falcon Deluxe Club Wagon (offers twice the cargo room of big wagons). You get top economy along with this big, new deluxe of models, too... with an improved version of the famous Falcon Six.

The all-new Falcon Squire... only compact wagon of its kind! With its smart woodline trim, the Falcon Squire brings new sophistication to the compact field. The Squire also gives you foam-padded seat cushions front and rear... a counterbalanced tailgate with an electrically operated rear window... and the longest loadspace of any compact wagon.

FOLLOW THESE SIMPLE RULES AND YOU MAY BE A LUCKY WINNER!

- (1) Anyone 18 years old, or older, is eligible to participate, except Ford Dealers' employees and their families - Ford Motor Company employees and their families - R. L. Polk and Company employees and their families - and members of the Ford Dealers' and Ford Motor Company's advertising agencies and their families.
- (2) Slight eligibility of an entry be questioned, the decision of the judges will be final. (3) All entries must be submitted on official contest entry forms, available only at Ford Dealerships in the U.S.A. The contest period shall begin with the opening of business on Saturday, September 29, 1961, and end with the close of business on Saturday, November 11, 1961. Entries deposited after that date will be ineligible for prizes. (4) This contest is void in Wisconsin, Missouri, Connecticut, Nebraska and wherever else prohibited or restricted by law. (5) Entries will be judged on accuracy, neatness and clarity. Ties will be broken by a random drawing by R. L. Polk and Company, and their decision will be final. Winners will be notified by mail approximately four weeks after close of contest. (6) In case a Falcon Squire winner has purchased a 1962 Galaxie, Fairlane, Falcon or Thunderbird during the contest period, that winner has the option of taking the Falcon Squire or its cash equivalent value (manufacturer's suggested retail delivered price).

## New Community Building (Continued from Page One)

wart of First Baptist Church gave the dedicational prayer and Lions Club president, Emil Wolf presented the key to the City Mayor Palmer January.

For its coming out party the building was beautifully arrayed with floral arrangements by Mrs. Ivan Van Horn, Mrs. Ralph Kirk, Mrs. Luther Jones, Chamber of Commerce, Mrs. Francis Kirchman and Mrs. Robert Lanier.

The refreshment table covered with an ecru lace cloth held a center arrangement of baby chrysanthemums and leaves sprayed pink, in a low pink container (courtesy of Miss Sara Lee Creech) flanked with pink tapers in crystal holders. The crystal punch bowl and compotes completed the decor. Punch, cake, nuts and mints were served from 3 to 5 p. m. and piano selections were presented by William A. Thiebaut.

Serving the guests were Mrs. Thomas Bregger, Mrs. J. Marvin Unwin, Mrs. I. L. Price, Mrs. Lloyd Strayer, Mrs. Lee Puckett assisted by Mrs. C. W. McDonald and Mrs. Ruth Sands.

The following committees gave their time and efforts during the construction and planning of the building together with Mrs. Price; Board of Control, Mrs. Ivan Van Horn, chairman, Mrs. Thomas Bregger, Mrs. Lee Puckett, Mrs. J. Marvin Unwin, Mrs. Victor Mulberg.

Kitchen-Bathrooms Committee — Chester Cone, Mrs. Lee Puckett, Mrs. H. V. Draa, Rev. Lee D. Rustin, Mrs. J. A. Ponder, Mrs. J. Marvin Unwin.

Patio Committee — Mrs. Ivan Van Horn, Mrs. Lonnie Warren, Mrs. Luther Jones, Mrs. Clara Stinson, Mrs. Walter D. Roth, Mrs. J. P. Halbrook, Mrs. C. W. McDonald, Burgess Sod Co., and Crago Sod Co. donated the sod for the patio.

Mrs. C. W. McDonald also furnished the palms for the dedication.

Description and further details on the new community building will be given in a later edition.

## Glades Boy Is "Snowboy"

### Bert Michaels In "Westside Story"

#### Gives Vigorous, Dynamic Performance

Remembered as a classmate by many former Belle Glade students, is Bert Michaels, now well up the ladder in theater and the entertaining field and currently making another mark in a star role in Kenton's "West Side Story," which opens October 14th at the Paramount Theatre in New York City.

Critics applaud his performance in the role of "Snowboy" as a member of the Jets street gang, in the musical drama, where it is apparent that Michaels, a diminutive singer and dancer, turns in a vigorous and dynamic performance.

Friends at Miami Beach High School and University where he was an honor student in Mathematics and sciences will be able to see Bert when the road show film version of the Broadway musical makes its southern debut at the Sheridan Theatre on November 14th.

Offered a scholarship when he graduated from the UM for

further scientific studies, Bert who thru his school years had shown enough talent to fulfill bookings in highly rated Miami night clubs, chose to go on in the entertainment field.

As a fourth generation of his family to engage in theatricals, Bert was headed for recognition almost from the start.

His first top appearance was in "The Music Man" on which he won in competition over 500 other boys, and toured with Tucker and Co. for a year and a half.

His father suggests that Bert would be delighted to hear from any of his old friends in the area and would be prompt in replying. Just address him c/o "West Side Story," Hollywood, California.

# Growers Co-op Plans \$5,600,000 Sugar Mill For Glades County Area

(Reprint From Glades County Democrat—September 22)

Plans for a \$5,600,000 sugar mill and refinery for Glades County, near a decisive point in the county's sugar cane acreage to supply the new mill, if efforts to build it are successful.

After a number of discussion sessions, application for incorporation of the Glades County Sugar Growers Co-operative Association, Inc., was filed this week with the secretary of state in Tallahassee. A nine-man board of directors and officers for the co-op, already have been elected from among the 16 co-op members.

Co-op officials report more than \$2½ million of the \$5.6 million needs for the new sugar mill and refinery is secured and an answer is anticipated late this week on application for the remaining \$3 million, which was made to the Bank of Co-ops, in Columbia, S. C., a division of the Farm Credit Administration.

Growers are committed to financing \$1,120,000 of the \$5,600,000 cost of the sugar mill and refinery, which will be located near Moore Haven in the area of State Road 720 and U. S. 27.

If financing is completed by Oct. 1, the mill is planned to be in operation by Jan. 1, 1963, and is expected to handle 40 to 45 percent or 125,000 tons of cane during the first short season. Full capacity planned is 300,000 tons of cane annually, which is expected to produce 27,000 tons of refined.

Full production capacity is anticipated for the 1963-64 season.

Co-op members tentatively plan to plant from 8,000 to 9,000 acres in sugar cane, largely in the county to be processed and refined in the new sugar mill and refinery. The mill and refinery are expected to employ from 350 to 500 persons with an additional 700-800 in the field during a four month production period, with an estimated annual salary outlay of \$1,200,000 in the agricultural payroll, plus another \$500,000 in sugar mill payrolls.

**Beardsley Spark Plug**

Sparkplug of the new sugar activity has been Clewiston real estate broker J. E. (Jim) Beardsley, who served as temporary chairman of the group until formation of the co-op and election of officers.

Co-op officers, named from the nine-member directorship elected by the 16 members are: Rogers Weiss, president; Frank Yau, vice president; V. R. (Bob) Beardsley, secretary; Charles Jones, assistant secretary; and Roy D. Lundy, treasurer.

Directors named for three years include Luis de Armas, V. R. (Bob) Beardsley and Ray Yoder, for two years; Roy Lundy, Lloyd Witt and J. W. (Young Jim) Beardsley. One year term directors are Frank Yau, Ray Gantt and Roger Witt.

Co-op members in addition to officers and directors are Dr. A. F. Saunders of Clewiston and Valdemar (Val) Armas, Jr., Phil Shuford, J. C. Sealey, Herbert Sealey, Harry Blumberg and Walter Manley of Lakeland, Mrs. Ruth Perley and J. S. Clark.

While some of the co-op members will be entering sugar cane production for the first time, a number of experienced growers are among the group.

**Yates Greener**

J. E. Beardsley, who is associated with his sons, J. W. and Bob Beardsley in operation of Hippocree Farms, has been growing cane in the Glades area for more than 20 years, harvesting his first crop in the 1938-39 season.

Beardsley, who came to the Lake Okechobee area in 1914, has been in the real estate business in this area for 31 years and with his sons, also owns the largest herd of registered short-horn beef cattle in Florida.

Other veterans in sugar production who will be associated with the new undertaking include two former Cuban sugar growers and one U. S. citizen associated with them in an engineering capacity formerly in Cuba and now in Peru.

This group includes Luis de Armas, who has been active in efforts to form the co-op; Manuel Armas, Jr., and John Scopetta.

Area was owner and general manager of Central Estrada Pina, S. A., in Cuba, is former president of the Medium-Sized

Sugar Mill Owners Association, in Cuba; director of Banco Financiero, in Havana; a member of the Coffee and Sugar Cane Growers Association of Central Estrada Pina, S. A., and has more than 25 years as a top sugar industry executive.

**U. N. Delagato**

De Armas was owner and general manager of Central Santa Rita, in Cuba, one of the largest cane growers in Camaguey Province. De Armas was a Cuban delegate to the United Nations for formation of the International Sugar Conference, was Cuban delegate to the International Sugar Council in Geneva and is a former member of the Cuban Sugar Institute. De Armas also has served as vice president and treasurer of the Sugar Mill Owners Association of Cuba.

**John N. Scopetta**, who is to be associated with the Glades sugar industry in an engineering and general management capacity, is the former vice president of Central Estrada Pina, S. A., and Agricola Industrial Garata, S. A., of Manzanillo, Cuba. Scopetta also has served as a sugar consultant for various fac-

ories in Latin America, and has more than 15 years experience in active management and engineering in the sugar industry.

Scopetta will be responsible for the basic design and engineering of the Glades County sugar mill.

**U O F Alumni Pres. Band Parents Association Welcomes Many New Members At First Meeting**

The Belle Glade Band Parents Association held their first meeting of the season in the band hall on Tuesday night, September 19th with Jim Wierengo presiding.

Fred Stevens, band director, welcomed the many new members present and urged continued interest in the band as an integral part of the school system.

It was reported that there had been a decline in the sales of "Ads" in the Football program, which provides the main source of revenue for the band in providing uniforms, music, trips, etc.

Consequently since the sale of programs is the band's only other source of sizeable income it was urged that all band parents strive to push the sale of these programs during the remaining four games to be played.

will be awarded alumni presidents whose club's membership has reached 33 percent of its potential.

Other ceremonies recognizing the club presidents include presentation at half-time during the University of Florida-Clemson football game Saturday afternoon, and dedication of various football program events in the University's Alumni Association, throughout the state according to Bootsey Weathers, reporter.

**W. B. Rhodes**

Presidents of the University of Florida's Alumni Clubs will be honored guests at the fourth annual Recognition Day celebration on the campus, Saturday, Sept. 23.

Among the University of Florida alumni club presidents to be honored is William B. Rhodes of Belle Glade president of the Belle Glade Alumni Club.

More than 25 presidents, their wives and guests will participate in University and Alumni Association activities which begin with a coffee in their honor at 8:30 a. m. in Florida Union.

A meeting of the Association's Executive Council will feature a showing of the University's prize-winning research film, "Where Florida Meets The Future" at 9:15 a. m. to be followed by committee reports and business.

Congressman Rogers is supporting legislation which requires the post office to display public notice stating that communist propaganda is being sent through the mails, and to alert unsuspecting citizens who are receiving communist propaganda. "There was a 40 percent increase during '59 in this propaganda," says Rogers.

"Interstate No. 75 is nearing completion from Valdosta to Macon, with a great deal of it open to traffic," Junius Harris while traveling over this highway observed. "When these interstate national highways are completed geography will have been reversed — large communities will be closer together, North Carolina will be nearer the Glades, Miami will be nearer to Atlanta, Charlotte and Washington. The general public little suspects just what is happening — these lines and access roads with two lanes both directions will move a lot of traffic and noise."

**Chosen Club Hears Points On Judging**

Mrs. Irvin Zumpf gave an interesting talk on points in judging at the first fall meeting of Chosen Garden Club, conducted at the home of Mrs. Edna Edwards. Mrs. Harold Gilbert in the absence of the President Mrs. Cowart, presided at the business session following a sandwich luncheon.

## A New World of Worth from Chevrolet for '62!

**'62 CHEVROLET**

Rich new styling with Jet-smooth ride!

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Then—head for the open highway. That sit-in-on-eatin feeling you get is Chevrolet's famous Jet-smooth ride at work. The standard six and V8 are triggered to do special things on regular gas, and for real half-trigger reflexes you have a choice of four optional all-extra-cost V8's with out-

put all the way up to 409 hp. ■ New steel front fender underskirts guard against corrosion. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

LUXURIOUS STYLING of Pontiac's 1962 sports coupe models is graphically illustrated by these views of the sparkling new Bonneville. A smaller rear window and a lower roof design give this two-door hardtop the rakish look of a softtop convertible. A divided V-shaped grille of horizontal bars exemplifies the smooth flowing lines and the Bonneville's generous full-length moldings accentuates the car's long, low and sleek appearance. This same new look in hardtops is found in the Catalina sports coupe.

## Are YOU Wondering...

Like so many other people, whether you should buy new furniture, or have your old upholstered.

If so, please read this ad!

The first consideration should be, do you like this particular piece of furniture, the style and comfort qualities.

The second thing to consider, will your furniture be as good or better than the original. The answer, very simple, the fabric, more than any other one thing determines the value of your furniture. Manufacturer's fabric is usually much cheaper than you would use to upholster your furniture.

The third consideration is the assortment of fabrics that are available to you. We have hundreds of fabrics and vinyls, all prices, colors, patterns, finishes and quality. Your upholstered piece can be original.

The fourth consideration is the cost. This varies with every piece of furniture. It is determined by the style and complexity of each piece, plus the cost of material used. The total upholstered cost in relation to the original cost also varies. If you have good furniture, the cost will be approximately one-half the original cost.

If you are still wondering, then call us today we will be glad to give you a free estimate, and help you in any way we can to make a decision.

The number is YU 2-5831!

## NEGRO NEWS

### North Dade Rips Lake Shore 18-6

Once defeated North Dade of Opa-Locka, Florida combined the fierce rushing of halfback John Wilson with an iron defense Friday to thrash punchless Lake Shore, 18-6, in a non-conference football tilt.

A sweltering shirt-sleeve blood thirsty crowd of 500 saw a hard-nosed North Dade defense, trademark of the Thunderbirds, thwart almost every Bobcats attempt to mount an attack.

William Henderson scored the lone touchdown for the Bobcats on a fumble in the end zone.

Lake Shore and Roosevelt High School of West Palm Beach will renew grid rivalry Friday night September 29.

### Opening Game Sept. 29

### East Lake Hawks Versus Waucho's

Under the supervision of Coach Ollice Davis and his staff, the East Lake Hawks of East Lake High School, Pahokee, Florida will start the season off with a bang.

The first game is scheduled for September 29, 1961, at Waucho's, Florida.

Extensive training has been going on daily for this big event. Despite the fact that some of the senior football players are not here this year, the team will bring the victory back from Waucho's.

Added to the line this year are Obadiah Seymore, a junior and Clarence Butler, a sophomore. Ernest Jackson and Chris Cunningham, sophomores.

A lot is expected from the following boys: Theodore Jackson, Henry Wilson, Henry Pringle, Richard Brown, Richard Johnson, Lloyd Carter, Jimmy King, Ernest Cunningham, Bobbie Walker, Johnnie Reid, Eddie Golden and Artis Smith.

In 1960, largest acreage planted in Florida vegetables was watermelons, with snap beans second, followed by sweet corn, tomatoes, and potatoes.

## To the Voters of South Bay

I was born and raised in the City of South Bay. I have lived here 29 years, except for two years spent in the Army in Germany.

I believe I have many friends who know my principals and the way I feel about your problems and mine . . . and the way our money is spent.

Check the records for the past two years, and they will tell you these have been prosperous years, with direct benefit to the people of South Bay.

I am running for re-election for the Council to see if the projects underway, which time did not permit, can be completed in a legal and honest method.
